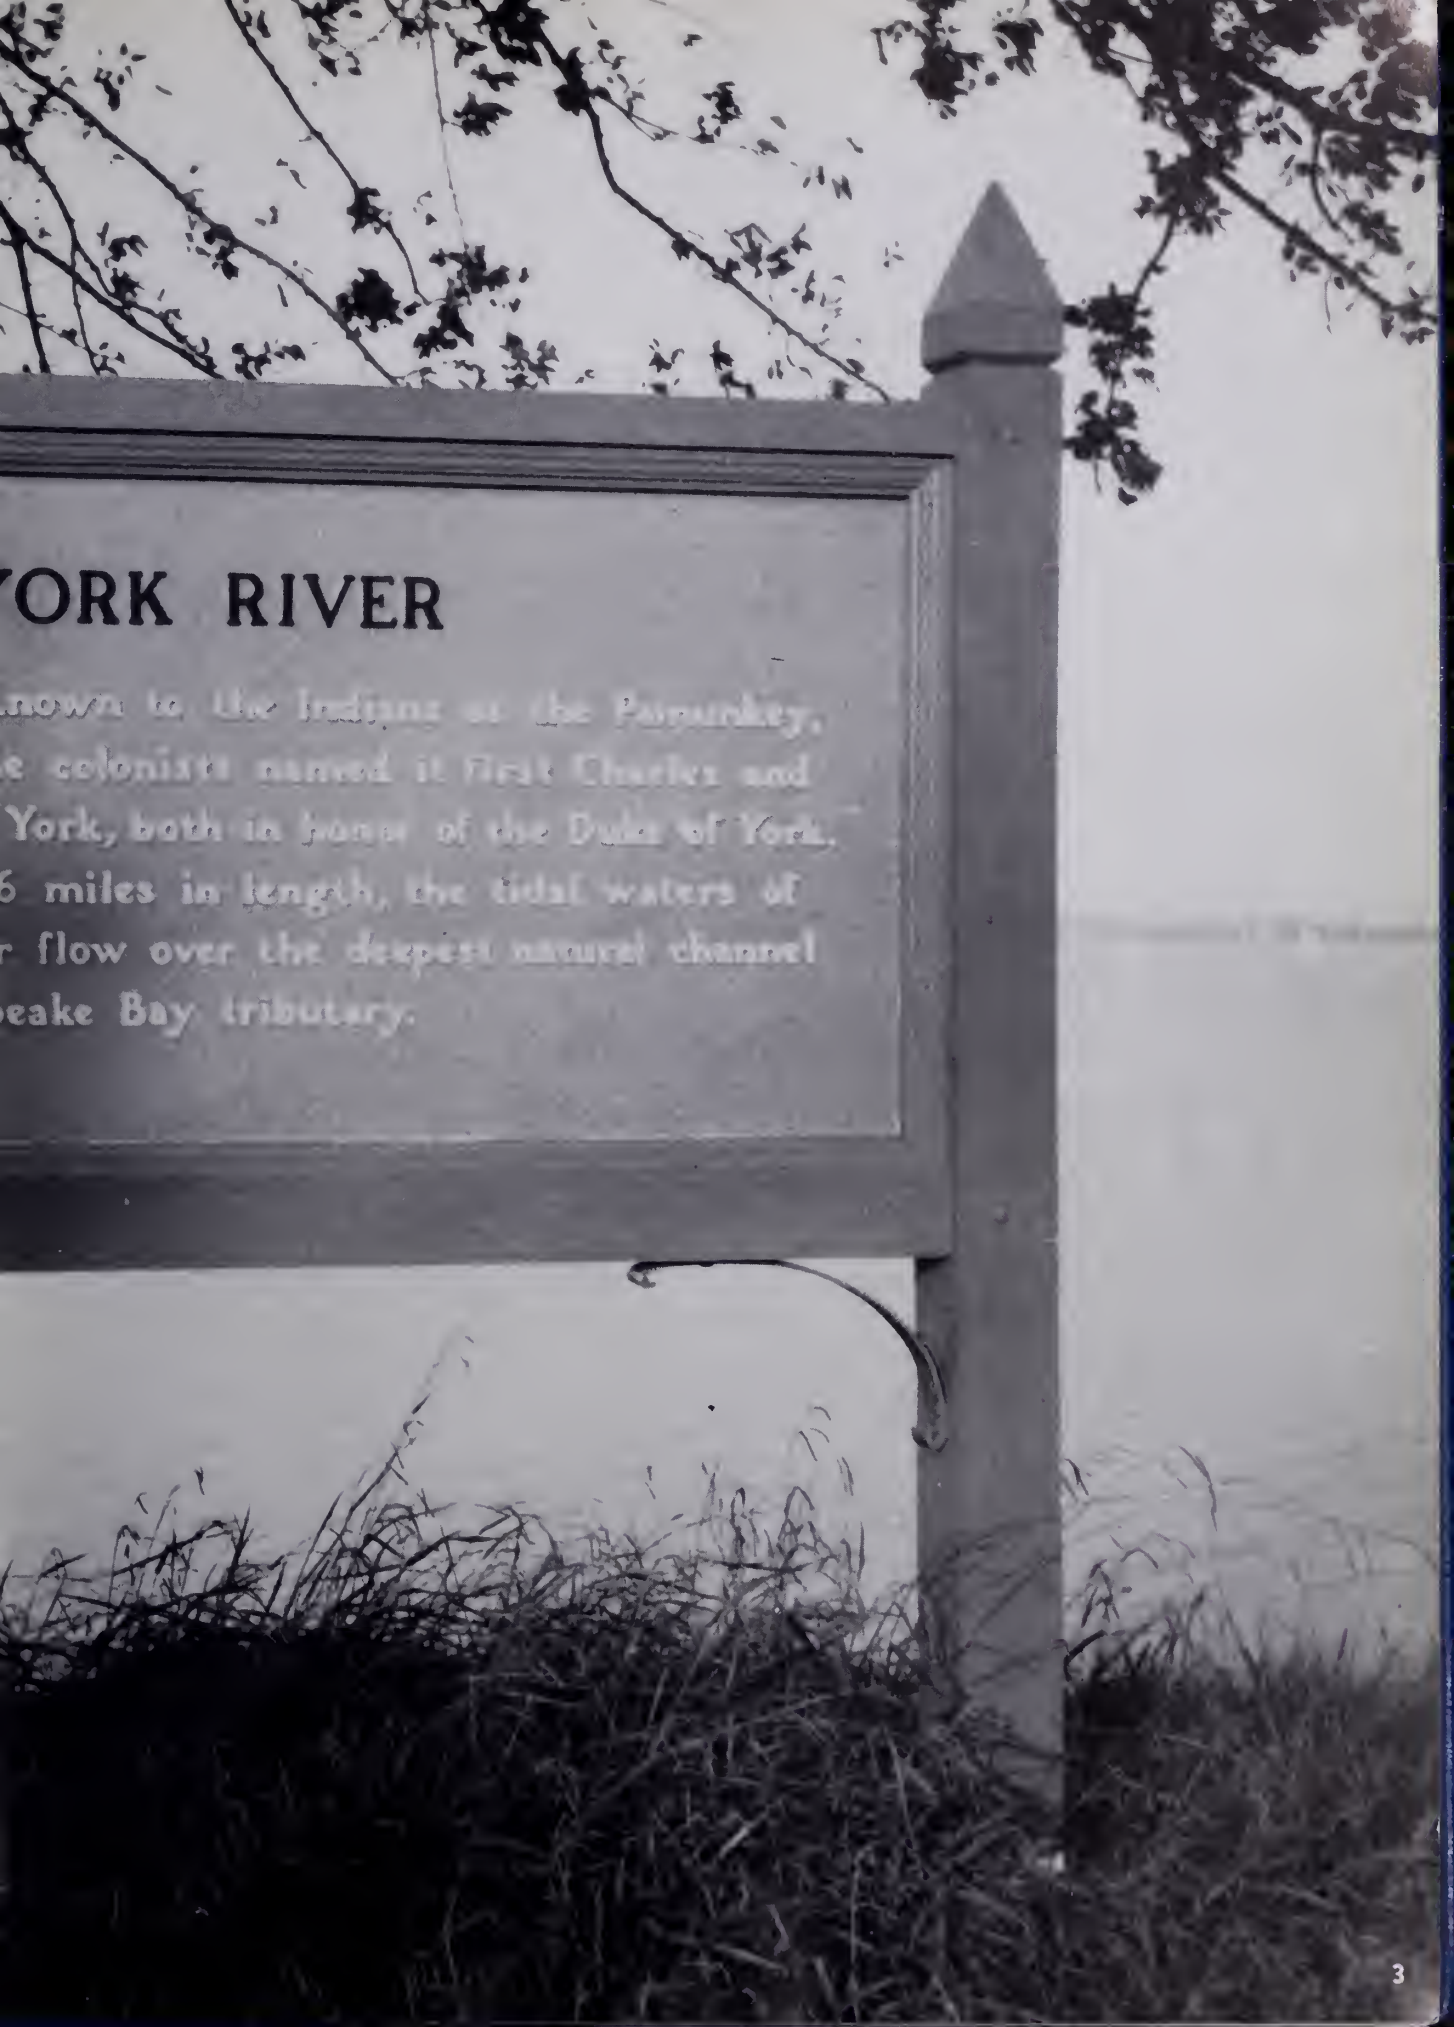
YORK HIGH SCHOOL - YORKTOWN, VIRGINIA

Foreword

Every area of York County is touched by water--small streams, creeks, and tributaries that lead in turn to a more extensive body, the York River. We feel that this river, a familar sight to everyone, provides an apt symbol of life at York High School in 1960-61. Like the river that grows in power, size, and depth as each tributary joins on its flow downstream, we have grown and expanded this year at York High in building, number, and knowledge so that 1960-61 will long be remembered as the year of expansion. In the following pages, we, the staff of the 1961 FALCON, have tried to depict for you this growth and enlargement, as well as life, in our school, located near the banks of the York River at Yorktown, Virginia.



YORK RIVER
nown to the Indians as the Pamunkey.
e colonists named it first Charles and
York, both in honor of the Duke of York.
6 miles in length, the tidal waters of
r flow over the deepest natural channel
eake Bay tributary.

In Appreciation . . .

Mr. John H. Stevens

Principal, York High School

We Dedicate

At the beginning of our school year, many new faces greeted us. Both school enrollment and buildings had almost doubled in size and space. Among the new faces was a new principal. For his sincere interest and friendliness toward the entire student body, for his helpful guidance and advice in every area of our school life, and for his efforts and achievements toward the betterment of our school during this first year at York High School, the Senior Class of 1961 dedicates this edition of the FALCON to Mr. John H. Stevens, Principal, York High School.

Mr. Stevens, pausing in his busy schedule to talk with students, is a familiar sight.

Mr. Stevens shares a grim moment with the team and coaches.

The world is vast in space and the universe is an enormous sphere. Nevertheless, each of us has a sphere of life, though small in comparison with the universe, around which we center our greatest interests and our daily events. Such a sphere, here represented by a view seen every day by most of us, we call --

Alma Mater

Where our loyal patriots won
In the warm October sun
Stands our school, a tribute to
Those heroes, strong and true.
Hail York High! Hail York High!
May that spirit never die,
Hail York High! Hail York High!
May her banner ever fly.
We will follow in their way,
Steadfast, loyal day by day.
Honor to York High we'll bring
Of Alma Mater sing.

. . . Do you remember? - Yes, we all remember the classroom, the worthwhile knowledge gained, the credits earned, but do you remember the extra life, the events that made school life enjoyable, the activities that tied us closer to York, making us realize that our school is the best place in all the world? - the homecoming events, the frantic last minute race to complete floats, the colorful football games, the exciting basketball tournament.

We can't forget - we'll never forget - the junior-senior prom in May, the happy times in assemblies like the senior assembly and the senior play assembly, the work in taking over the school, the fun of picture taking, the ambitions and high hopes on Education Day, Yorktown Day and Walt Disney, the Senior Variety Show called "April in Paris," election day when Nixon won for us, the enthusiasm and school spirit in pep rallies, the preparation for graduation exercises, the conventions attended. Training, skill, and experience are necessary qualifications of men who derive their livelihood from the waters of the York River. The possession of these qualifications have made them "professionals" at their jobs. Training, skill, and experience in the field of education likewise mark the professional personnel of York High's wide-spread. . . . .

Superintendent's Message

Students of York High:

In the changing fortunes of these times, keep interested in your career however humble it may be and learn to appreciate and enjoy your achievements.

Start now to build castles in the air; your work will not be lost if you build the proper foundations to support them. Try to fix firmly in your mind the things you would like to do and seize upon the opportunities that are required for the fulfillment of your desire. The important thing in life is to have a great aim and to possess the aptitude and the perseverance to attain it.

Samuel C. Morgan

Principal's Message

Your cooperation, friendship, devotion to duty and willingness to help others, has made this one of the most enjoyable years I have ever had.

You are to be commended for the way you have accepted the rapid growth and development of your school. You have shown your initiative by the many wonderful events and programs you have given this year. You have demonstrated your loyalty by supporting activities and events. You have, by studying, indicated that you are willing to work hard in order to reach objectives. Above all, you have spread through-out the school a feeling of friendship and a wonderful school spirit.

To those of you leaving I wish much happiness and success. To those of you returning it will be a pleasure to work with you during the year to come.

Your friend,

John H. Stevens

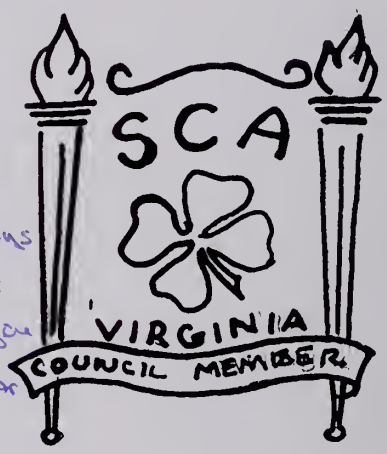
President's Message

TOM GARDO - SCA President

"This past year has proved to be a time of rapid change, with an increase of 550 in the student body enrollment, a new administration, and a new building, many problems have arisen. The Student Council worked closely with Mr. Stephens in an endeavor to keep things running smoothly. The Council has also worked hard in an effort to improve school spirit and better student relations. Such projects as Friendly Falcon Week, Blue and Gray Day, the purchasing of a football scoreboard, Station W-YHS, the Thanksgiviving Drive, the introduction of a point system, and a sign for the front of the school have been directed towards fulfilling our aims. I congratulate the Council for a job well done.



Dan, I would like to say it has always been a pleasure knowing you but it hasn't just sometimes. Dan I wish you a very much success in track next year But you will have to work - but I know you have the heart to do it.
Tom - your friend

MOTTO:
We build

The Key Club of York High is a service club for boys. It is a member of an international organization and is sponsored by the Peninsula Kiwanis Club. The purpose of the Key Club is two fold: to build integrity, initiative, leadership and unselfishness, and to serve the school and community. To do this some of the Key Club projects have been: A used book sale at the beginning of the year, a Christmas Drive for needy children, a float in home-coming parade, ushered at College Day, campaigned for better dress at school, collected donations for county Red Cross and sponsored a school dance.

Below, left, KEY CLUB OFFICERS: Nelson Ensley, Secretary, LaVerne Smoot, President; Donnie Shields, Vice-President; John Hobbs, Treasurer; Below, right: A group of "Properly" dressed Key Club boys point out guilty culprits who forgot their coats and ties. One of the Key Club projects this year was wearing coats and ties each Wednesday.

President Dickey Worthington teaches class in order to give faculty member a short break.

The purpose of the Sarah Kemble Knight Chapter of the FTA is to interest students in the teaching profession. Through substitute teaching, correcting papers, and other services performed for York's teachers, FTA members gain valuable experience and insight about the teaching profession. A delegation attended the State Convention for FTA members in Richmond, Virginia.

York Sextet

The York High Glee Club, consisting of girls and boys enrolled in music classes, presented several interesting programs this year. Special music was presented for the student body in our annual Thanksgiving assembly. Presented also were Christmas and Spring concerts. Twelve members participated in the Pennisula Music Festival. The club provided music at the Baccalaureate Services of graduation exercises.

The York Sextet, formed last year, performed this year in various programs in York and made up an important part of the school music department.

Band

The York High Falcon Band carried on a host of activities this year. In the fall, during football season band members could be found marching every morning, faithfully preparing for that week's game. Later in the year they walked the streets selling Christmas cards and light bulbs, the proceeds going to send the band to the Apple Blossom Festival in Winchester. The band participated in many parades on the peninsula, including the Yorktown and Williamsburg Christmas parades. The Annual band Concert was given in March.

The band was extremely proud to send six members to All-State Festival this year. Another highlight of their year was the twirling of fire batons by the majorettes.

Have Tough Season

Playing the roughest schedule of any Group II team in the state, the Falcons quickly got into the win column with a 19-0 victory over Smithfield in their first game. In the next four weeks, they defeated arch rivals, Poquoson and James Blair, but lost to Group I powerhouses, Newport News and Oscar Smith.

Gloucester quickly crushed any Falcon hopes of winning the district championship by handing York her 1st District loss 34-19. Two more defeats at the hands of District I Group II Co-champions Northampton and Deep Creek finished York's district record at 3-3.

On Thanksgiving Day the Falcons at last came into their own, withholding powerful, heavily favored Group I Warwick for three periods but finally losing a heartbreaker 7-6. Many loyal York fans said it was perhaps the greatest single effort by any York football team in history.

5. Jack Jones connects for another basket against Arch-rival James Blair.
4. Andy Curtis scores on jump shot to gain York single game scoring title of 21 pts.
3. Senior Bob Grace and Sophomore Sam Morgan team to grab a rebound from Poquoson.
2. "Hutch" stretches for jump ball against Northampton player.
1. John Hutchinson puts in another foul shot.
6. Boo Grace scores on favorite jump shot.
7. Jones wins jump contest against rival Bull Islander in easy Falcon victory.

Falcon basketball chances for a good season were not bright as practice started in November with only three lettermen, Andrew Curtis, John Hutchinson, and Skippy Taylor, returning from a squad which won only 3 games the previous year. However, with a new coach and a new transfer student, Bob Grace, the Falcons accomplished much.

The Falcons while losing 8 games won 6 in District play - their best district record in three years. To the delight of Falcon fans York defeated rival Poquoson and arch-rival James Blair, breaking a five game basketball losing skien.

Has Favorable Season

Left to right: Suzanne Eisenbeis, Dixie Bailey, Sue Redman, Rosemary Basta, Carolyn Belvin, Lera Cunningham, Co-Captain, Susan Antoniewicz, Co-Captain, Pat McClure, Patricia Killian, Sally Bryant, Mary Basta, Sandra Bright.

For the first time in three years the Falconettes were able to "get back in the competition." Under the leadership of their new coach, Mrs. Cromwell, the girls won four out of seven games. Even though the first game with Windsor proved to be a defeat, the Falconettes had the will to win and the next game with Chuckatuck proved to be a victory. The team was very happy about the season's record, but their regret was that they did not win all the games.

In York County the dependence of industries upon the York River for their prosperity is illustrated by this picture of the American Oil Refinery near Yorktown. We appreciate greatly the interest and support of the Peninsula's industries and businesses which have helped to make possible the 1961 edition of the FALCON through these...

COLUMBUS

DIDN'T KNOW, EITHER

The future and what it will bring is always veiled in mystery. Present day trials and tribulations make us all wonder what lies ahead, just as Columbus and his crew must have wondered when they traveled the unchartered waters of the Atlantic. Whatever we find in our "new world," however, financial security will always be desirable. You can chart that course by planning to save a definite sum each week. Open a savings account now!

Best wishes to a
good sport and cute
girl we have not known
for very long
but we have very long
to be friends next
year. Forget Jones

Dear,

Very upset to see the end of everything that did have to pass. Such a wonderful personality, such a charming manner and remarkable skill always you feel sure that every is successful in life's venture.

Remember the good old days in Chemistry and all the experiments.

Although I don't know you very well I wish to know more about you than most people do. I hope we can know another than together we can speak and get to know each other better.

I'm sure you are looking forward to next fall as I am; where you will be in your junior and I will be in my senior."

"60/61"

Fondest Wishes, Daniel.

From the Bread Box of my affections I regard you as a crumb

Best Wishes
Tom Robinson

Dan —
In spite of all the teasing — thanks for being a swell sport — Best of luck —

GIRLS! PLEASE INCLUDE TELEPHONE NUMBERS

Best of luck always.

Dan,
It's been fun knowing you in Chemistry even if I did get squinted in you. Our times in English are unforgettable with our "wonderful" Mr. Teacher. Hope to see you next year when I am a "great senior"
Teresa

Best of luck to the world's best manager around.

Best of everything to
a good friend. I hope you
do good this coming year. Just
make the next year. Just
keep on trying and practicing
so you can come back to the team
this summer. Sam
